E1 · cytosolic ribosome
E1 · structural molecule activity
E1 · Ribosome
E1 · structural constituent of ribosome
E1 · ribosomal subunit
E2 · mitochondrial envelope
E2 · mitochondrial membrane
E2 · mitochondrion
E2 · organelle envelope
E2 · Metabolic pathways
E3 · response to acid chemical
E3 · response to other organism
E3 · response to external biotic stimulus
E3 · response to biotic stimulus
E3 · response to external stimulus
