E4 · active transmembrane transporter activity
E4 · response to nitrogen compound
E4 · response to external stimulus
E4 · cell wall organization or biogenesis
E4 · polysaccharide metabolic process
E5 · ribosome
E5 · cytosolic ribosome
E5 · ribosomal subunit
E5 · structural constituent of ribosome
E5 · structural molecule activity
E6 · ribosomal subunit
E6 · cytosolic ribosome
E6 · structural constituent of ribosome
E6 · membraneless organelle
E6 · intracellular membraneless organelle
