E7 · response to abiotic stimulus
E7 · response to wounding
E7 · response to acid chemical
E7 · response to xenobiotic stimulus
E7 · response to oxygen-containing compound
E8 · ribonucleoprotein complex
E8 · ribosome
E8 · cytosolic ribosome
E8 · structural constituent of ribosome
E8 · ribosomal subunit
E9 · response to xenobiotic stimulus
E9 · regulation of RNA biosynthetic process
E9 · DNA-binding transcription factor activity
E9 · transcription regulator activity
E9 · response to chitin
