E4 · endoplasmic reticulum
E4 · structural constituent of cytoskeleton
E4 · Golgi apparatus
E4 · Protein processing in endoplasmic reticulum
E4 · endomembrane system
E5 · cellular developmental process
E5 · cell differentiation
E5 · developmental growth involved in morphogenesis
E5 · root morphogenesis
E5 · anatomical structure morphogenesis
E6 · response to stress
E6 · DNA-binding transcription factor activity
E6 · negative regulation of metabolic process
E6 · transcription regulator activity
E6 · response to oxygen-containing compound
