E1 · carboxylic acid metabolic process
E1 · oxoacid metabolic process
E1 · Biosynthesis of secondary metabolites
E1 · small molecule metabolic process
E1 · Metabolic pathways
E2 · response to acid chemical
E2 · response to other organism
E2 · response to external biotic stimulus
E2 · response to biotic stimulus
E2 · response to external stimulus
E3 · cytosolic ribosome
E3 · ribonucleoprotein complex
E3 · structural constituent of ribosome
E3 · ribosomal subunit
E3 · structural molecule activity
