E1 · ribosomal subunit
E1 · ribonucleoprotein complex
E1 · cytosolic ribosome
E1 · ribosome
E1 · Ribosome
E2 · negative regulation of protein-containing complex assembly
E2 · regulation of protein polymerization
E2 · negative regulation of protein polymerization
E2 · regulation of protein-containing complex assembly
E2 · regulation of cellular component biogenesis
E3 · Oxidative phosphorylation
E3 · NADH dehydrogenase complex
E3 · respiratory chain complex I
E3 · oxidoreductase complex
E3 · respiratory chain complex
